PATHWAYS TO WELLBEING
CHANGING LIVES THROUGH ART

Pathways to Wellbeing is an exciting programme of creative groups which take place at the Holburne Museum and partner museums and galleries in Bath.

These groups are designed to support people who have lived experience of mental health challenges and issues related to loneliness and homelessness.

Partner Museums

Funded by

We offer safe, calm, inspiring, informative and welcoming spaces for people to explore their creativity, learn about local heritage and have fun!

We work with specialist artists who support people to learn new skills using high quality art materials and equipment.

All our groups are well supported by trained staff and volunteers who are non-judgmental, friendly and passionate about the benefits of creativity for mental health and wellbeing.

We believe that the enjoyment of art can change people's lives.

Come and join us!
